Original Product Type Certificate Number: A16WE

Make: Boeing

Model: 737-200, 737-300, 737-400, 737-500 Series

Description of Type Design Change: Installation of a flight deck door in accordance with Duganair Technologies Inc., Index List, QS-00001-3A, Revision B, dated August 27, 2003, or later FAA approved revisions. FAA Approved Flight Manual Supplement No. QWC737101-4, Revision 1, dated December 16, 2004, or later FAA approved revision is required as part of this installation.

Limitations and Conditions: Approval of this change in type design applies to the above models of aircraft only. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. A copy of this certificate and FAA Approved Flight Manual Supplement No. QWC737101-4, Revision 1, dated December 16, 2004, or later FAA approved revision must be maintained as part of the permanent records for the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
